

THE ALSTON TROPHY

History

The Alston Trophy was presented to Coulsdon Court Ladies Golf Club by Mrs Dee Alston to commemorate her year as Captain from 2000 to 2001.

Organisation

The trophy is presented to the overall winner of the various competitions played during the Club's annual holiday.

Format

The format of the day's competition is left solely to the discretion of the Captain, not the committee, and as the holiday does not feature on the fixture card, the competitions become non-qualifying events and do not count for handicapping purposes.

Prizes

The trophy is 20 cm high, 23 cm including the rose holder, 20 cm wide, and engraved "The Alston Trophy".
