Honorary Members

Honorary Status is awarded by the Committee to a member, usually of long standing who, during their time with the Club, has served as Captain, Secretary or Treasurer or, as is often the case, undertaken all of these roles. Upon receiving a proposal that a member warrants/is deserving of this status, usually coming from the acting Captain, or a Committee member, the Committee will take a vote and if in agreement the candidate will receive Lifetime Honorary Membership effective from the date of the following AGM, thereafter no further Annual Subscriptions are due.
