

CLUB CHAMPIONSHIP OVER 36 HOLES 2015 Format

History

The competition was introduced together with two Trophies, a Scratch Cup and a Handicap Cup and an Honours Board by Mrs Jenny Christophers to commemorate her year as Captain in 1998.

In order to enable more members to take part in the competition a new format was agreed to be played for a trial period in 2015

Organisation

The entry cost for the whole competition will be £2 to be paid on the Wednesday.

Format

The Club Championship will take the scores from 2 rounds played over 18 holes each. One round will be played on the designated day, usually in August, and players will be drawn in handicap order. The other round will be taken from the score for each player in either the Spring or Autumn meeting, whichever is individually better. The final result will be determined after the Autumn Meeting has been played.

Prizes

The Trophies (a Scratch Cup and a Handicap Cup) will be presented to the member with the best Scratch score over the two days and to the member with the best Handicap score over the two days, respectively.

The same member may win both Trophies.

Winner: Scratch Cup + £5 voucher
Runner Up: £5 voucher

Winner: Handicap Cup + £5 voucher
Runner-Up: £5 voucher
